# INTERNSHIP ACCEPTANCE CERTIFICATE

To whom it may concern

This is to certify that Ram Prashad Mahato, a student of Islington College (London Metropolitan University), has been accepted as a Full Stack Development Intern at TanviTech Pvt. Ltd. for a period of three months, starting from 5 September 2025 to 5 December 2025.

During this internship, Ram Prashad will be working on the E-Learning Project, contributing to both front-end and back-end development. His responsibilities will include:

- Designing and implementing user-friendly interfaces for the e-learning platform
- Developing and integrating back-end functionalities to support course management, assessments, and user interactions
- Managing databases to ensure secure and efficient storage and retrieval of learning content and user data

We believe this internship will provide Ram Prashad with valuable hands-on experience in full stack development, allowing him to apply academic knowledge to a practical, real-world project.

We look forward to his contributions and wish him a productive and successful internship.
